Welcome Aboard A-Line Coaches...

A-Line Coaches have been serving Coventry & Warwickshire since 1966. From our base in Coventry we provide coach travel for day trip hire, family outings, school trips, and airport transfers. We also undertake corporate travel, including executive coach hire for special occasions when only luxury coaches will do.

Corporate customers require something a little different to your average bus, something a little more luxurious than you'd expect to find picking up pensioners on the number 21 to the City Centre! That's why we have a fleet of executive coaches available, with reclining seats, curtains or blinds, carpets, and onboard toilet facilities.

Many corporate customers require transport for guests of the company, from journalists covering a product launch, to visiting customers, to head office executives visiting a local branch. Others require transport to entertain their company's own staff, either to a conference, training, or team building event, or even a company away-day or outing; whatever the event we are able to provide coaches to meet all your needs.

We understand the requirements of our corporate clients. We can organise vehicles in a variety of configurations, seating capacities and levels of comfort. Our experienced reservations team can and give advice on planning, itineraries, routes and travelling times. Simply call us, or drop us an e-mail, and we will provide you with a competitive quotation for your corporate coach hire requirements.

Our Corporate Customers...

A-Line Coaches work with many corporate clients, from large multi-national corporations, to small local businesses. We're extremely proud of the relationships we've forged with our clients, just some of whom are listed below, and their repeat business is the proof of our success.

Corporate Events at the Ricoh Arena...

A-Line Coaches are a Preferred Coach Supplier to Arena Coventry Ltd, the name behind the Ricoh Arena, and the IEC International Events Centre.

We are ideally placed to meet all your transport needs for your event at the Ricoh Arena. Whether it's an exhibition, conference or concert, give us a call to discuss your needs. We can arrange airport transfers, station shuttles, and park & ride services. We can pick your guests or staff up from their hotels and bring them in to the Arena for your conference or exhibition. We can even bring trade-show exhibitors in to the Arena for evening entertainment or gala dinners, taking them back to their hotels in the small hours of the morning!
